

Comments of a Bon Vivant:

Winter vibes, creating a sense of serenity. Enjoyable with roasted meats, poultry, and cassoulet

Château Lauerie Juste Terre Cabernet Franc

The Dubard family are the proprietors of this beautifully rugged Chateau, found in the rolling hills of Bergerac in the Southwest of France. Being just east of Bordeaux, this area has long been overshadowed by its more famous neighbour, but in recent years has become an insider tip for being the home of exceptional wines at great values. Château Lauerie exemplifies this in their traditional and meticulous approach to grape growing and hands-off approach in the cellar. With excellent south, south-west exposure and a moderate climate, the grapes achieve balanced ripeness each year. Certified sustainable farming methods as per the Haute Valeur Environnementale Program, including grass between vines, promotion of biodiversity, water conversation, and carbon neutrality help to maintain the character of the terroir. The result is a lineup of wines that outperform their humble price tag.
