

Comments of a Bon Vivant:

Fall vibes, at family gatherings with great dinners such as roasted turkey, noble fish preparations, veal ossobuco, and game birds.

Neil Ellis is considered to be one of the most influential pioneers of the modern-day South African wine industry. Today, the experience and knowledge of the past are applied to modern techniques and technologies for a new generation of winemaking. The team at Neil Ellis Wines, which includes Neil's daughter and two sons in leading roles, believes in responsible environmental practices. They are committed to respecting the soil, cutting water use, recycling and reducing energy use and greenhouse emissions.
