

## Comments of a Bon Vivant:

*Winter vibes. Considered to be one of South Africa's finest expressions of Pinotage, this elegant wine is great at barbecues, with venison, lamb ossobuco, and roasted meats.*

### Neil Ellis Bottelary Pinotage

Neil Ellis is considered to be one of the most influential pioneers of the modern-day South African wine industry. His vision, the pursuit of quality, extended out of the cellar and into the vineyards where varieties would excel and best express a particular style of wine reflective of their environment. Today, the experience and knowledge of the past are applied to modern techniques and technologies for a new generation of winemaking. The team at Neil Ellis Wines, which includes Neil's daughter and two sons in leading roles, believes in responsible environmental practices. They are committed to respecting the soil, cutting water use, recycling and reducing energy use and greenhouse emissions. They are a member of the IPW, a voluntary environmental sustainability program, and comply to their regulations.
