ROOTS MATTER

Comments of a Bon Vivant:

Fall vibes. For our nostalgic moments. Enjoy with hearty dishes such as grilled steak, oxtail or lamb stew. It also works great with decadent dark chocolate after dinner.

Signature Brands O/A Roodekrantz Die Boskind

Signature Brands is operated by the father and son team of Marius Sr. and Marius Jr. Burger. They are integral members of South Africa's Old Vine Project, an initiative started in 2002 by the iconic Vineyard Manager Rosa Kruger. Under Rosa's guidance, growers with old vines get paired with winemakers who share their passion of not preserving South Africa's old vines, but to manage them in such a way that they will consistently produce superior fruit to sustain their future. In the process Rosa and her grower and winery partners sustain and continue South Africa's long and rich history of being home to some of the world's oldest viticultural soils.
